Septic Solutions, Inc. is offering the Ultra-Air™ Model 735 as an alternative replacement that is comparable to existing Jet aerators, Norweco aerators, or other Septic Tank aerators. The Ultra Air was not tested on an NSF Certified Aerobic system as is required in some areas. It is the sole responsibility of the purchaser to check with their local regulatory authorities to ensure compliance.

Jet is a Registered Trademark of Jet, Inc.

Norweco is a Registered Trademark of Norwalk Wastewater Equipment Company, Inc.
